Joy

Every Seminar year I encourage you to sell enough each month to place at least a minimum order. It gives you an opportunity to have the new products + profits each month. If you order each month you can service your clients well. When you do this you will receive a prize at the end of the year awards.

Mary Kay also has a program for everyone that orders 600ws or more a month. This year it is called "Golden Rule" You then can work for Star Consultant!

I like to offer you a chance to be recognized each time you place at least a minimum order (225ws) any 3 months in a row. Whenever you do that you will receive a prize signifying JOY! These are so beautiful!

Find JOY in your business & know you are JOY to me!!
