

1. **Morning and Night, use Volu-Firm™**
Foaming Cleanser, a moisture-rich foam that thoroughly cleanses and renews skin texture, leaving pores looking less noticeable. This cleanser revitalizes, renews, and maintains moisture balance. Wet your face and apply the cleanser in an upward and outward motion. As you massage the cleanser, you're treating your skin to outstanding cleansing, along with the removal of dirt and pollutants that build up on your face daily. Remove your cleanser with a wet facial cloth or rinse with water.
2. **Next apply the Volu-Firm™ Lifting Serum** to help firm and lift skin. This serum helps restore youthful volume and vibrancy so skin appears tighter. This product promotes skin resilience. Apply in an upward and outward motion to your face and neck.

3. **In the morning, apply Volu-Firm™ Day Cream Sunscreen Broad Spectrum SPF 30 (Over-the-counter drug product).** This is formulated to protect against future damage and to help existing damage be less noticeable. It helps reduce damage that can lead to sagging, deep wrinkles, and the noticeable loss of elasticity. **At night, apply Volu-Firm™ Night Treatment With Retinol** which helps restore youthful cushion to skin and helps the jawline area appear more defined. It fights the appearance of deep lines and wrinkles and is known to promote the production of collagen and help increase elasticity.
4. **Morning and Night apply, Volu-Firm™ Eye Renewal Cream** because this one eye cream does it all! It targets deep lines, dark circles, sagging, bags, under-eye puffiness, and upper eyelid droop. Using your back of the applicator, gently massage the eye cream on the orbital bone that goes around your eye. The applicator is made of Zamac, used to reduce swelling.
